

Heartbreakdown

Two Gallants

That's my baby on the western wind
She's out shinin' where the day begins
I can finally hear through the din
My heart break down
She don't come, she don't go
Ain't gonna tell her just what I know
Rings, ribbons, bells, and bows,
Watch my heart break down That's my baby on the western shore
Tiptoein' where the break is rough
Lettin' livin' what's livin' for?
Lay your heart break down
My eyes are open, my lips are sealed
Ain't gonna tell her just what I feel
Oh, lord, keep it all consealed
'til my heart breaks down
