Rain Down

Delirious?

Looks like tonight the sky is heavy
Feels like the winds are gonna change
Beneath my feet the earth is ready
I know it's time for Heaven's rain, it's gonna rain'Cause it's living water we desire
To flood our hearts with holy fireRain down, all around the world we're singing
Rain down, can you hear the earth is singing?
Rain down, my heart is dry but still I'm singing
Rain down, rain it down on meBack to the start, my heart is heavy
Feels like it's time to dream again
I see the clouds and, yes, I'm ready
To dance upon this barren land, hope in my handsDo not shut, do not shut, do not shut the Heavens
But open up, open up, open up our heartsGive me strength to cross this water
Keep my heart upon Your altar
Give me strength to cross this water
Keep my feet, don't let me falter
