

Growing Up Beside You

Paolo Nutini

Sitting beside you in school
While we'd paint I'd make you laugh
Mine was never very good
Yours looked exactly like the photograph
Looks like I'm growing
I'm growing up beside you
I don't always get the way you feel
But now I've learned to live with that
It's like I'm a part of something real
I was hitting the bottle, now I've broke the seal
Looks like I'm growing
I'm growing up beside you
And the sun sets the scene
While the rain misses me
And all the time I'll be growing
Growing up beside you
Oh, the sun sets the scene
While the rain misses me
And all the time I'll be growing
Growing up beside you, yeah, ooh, ooh
People [Incomprehensible]
And over and over again
And the sun sets the scene
While the rain misses me
And all the time I'll be growing
Growing up beside you, yeah
Looks like I'm growing
Growing up beside you
