

# The Only One

## Manchester Orchestra

I am the only one that thinks I'm going crazy  
and I don't know what to do  
and I am the only son of a pastor I know  
who does the things I do  
but if it was you  
I don't think that it would matter  
and if it was true  
then I just wouldn't matter I was amazed at the color and shapes you do  
a paper part for two  
I am the only son of a bastard I know  
that knows the bastard too  
because it was you  
I called it a different story  
but if I was you  
I'd make this a simpler story I bet you did what you did  
when you did it  
to do it again  
by the time you were done with it  
I bet you did what you did  
when you did  
just to tell every friend that you have  
that the Lord did it I finally knew that I simply couldn't matter  
you finally knew that you simply couldn't matter  
I guess it's true you never knew  
the passive power of the truth  
would let me lose  
if I could write another phrase  
we might be better off this way  
but there's no use
