

Mathilde

Jacques Brel Is Alive and Well and Living In Paris

Momma, do you see what I see
On your knees and pray for me
Mathilde's come back to me
Charley, don't want another beer
Tonight I'm gonna drink my tears
Mathilde's come back to me
Go ask the maid if she heard what I said
Tell her to change the sheets on the bed
Mathilde's come back to me
Fellas, don't leave me tonight
Tonight I'm going back to fight
Wretched Mathilde's in sight
My heart, my heart, stop beating so
Just make as if you didn't know
That Mathilde's come back to me
My heart, I don't want you to say
She's lovelier than when she went away
Mathilde, whols come back to me
My heart, stop being overjoyed
Remember you were once destroyed
By Mathilde, who's come back to me
Fellas, please don't go away
Tell me that I mustn't stay
Mathilde's coming back today
My hands, you'll start to shake again
When you remember all the pain
Mathilde's come back to me
You'll want to beat her black and blue
But don't do it, I beg of you
Mathilde's come back to me
My hands, remember all the years
Remember when you caught my tears
Mathilde's come back to me
My hands, you'll want to touch her now
But please try and be strong somehow
Mathilde's here, she's coming now, now
Momma, can you hear me yell
Your baby boy's gone back to hell
Mathilde's come back to me

Charley, champagne right away
I know you've been saving it for the holiday
But Mathilde's come back to me
Go ask the maid if she heard what I said
Tell her to put the best sheets on the bed
Matbilde's come back to me
My friends, don't count on me no more
I've gone and crashed through heaven's door
My sweet Mathilde's here
Once more, once more
