

Overpowered by Funk

The Clash

If you ain't reggae for it, funk out
No-one knocking at your door, funk out
Overpowered by funk, funk out
It's combatative, repetitive
Don't life just funk you out?
Asinine, stupefying
Can the clone-line dry you out?
Part of the swarming mass, funk out
Slugged by the new increase, funk out
Scared of the human bomb, funk out
Overpowered by funk, funk out
Buy dog food, rogue elephants
Tarzan on a ticker tape
Ooo-oooh
Breakfast cereals
You know you can't escape
Overpowered by funk
Don't you love our Western ways?
Car crashed by funk
Don't you love our Western ways?
Benny Goodman, trial by jury
A phone box-full of books
"It's morning, you know!"
Dustcarts at sunrise
No-one gets off the hooks
Car crashed Food for the hungry millions, funk out!
Home for the floating people, funk out!
Over-drunk on power
This is a message from Futura, don't prophisize the future
I liven up the culture because I'm deadly as a vulture
I paint on civilization, I had this realization
It's environmentally wack, so presenting my attack
You know, I'll brighten up your shack
I'm down by law and that's a fact
Just give me a wall, any building, dull or tall
I spray clandestine night subway
I cover with red-purple on top of grey, hey
No slashing cause it ain't the way, the T.A. blew forty mil' they say
We threw it down by night and they scrubbed it off by day

OK tourists, picture frame, tickets here for the graffiti train
