

# Tonite Tonite

## Hunx & His Punx

I just wanna be the one who gets to hug you and kiss you tonite, tonite.

I just wanna be the one who you will call baby tonite, tonite.

Tonite(x2)

I don't wanna be alone tonite.

I just wanna look in your eyes tonite

And I ain't causing trouble tonite.

I don't wanna be alone tonite.

How long will it take for me to be able to kiss you?

Tonite(x2)

I just wanna know if I will ever get to see you tonite, tonite...

Tonite(x4)

I don't wanna be alone tonite.

I just wanna look in your eyes tonite

And I ain't causing trouble tonite.

I don't wanna be alone tonite.

I wanna look in your eyes tonite.
