

Bring It on Home

Sonny Boy Williamson

Baby, baby
I'm gonna bring it on home to you I done bought my ticket, I got my load
Conductor done hollered, "All, aboard"
Take my seat and ride way back
And watch this train move down the track Baby, baby
I'm gonna bring it on home to you I think about the good times I once have had
Soul got happy now, my heart got glad
I think about the way you love me too
You can bet your life, I'm comin home to you
