

# Like It Or Not

## Madonna

You can call me a sinner  
And you can call me a saint  
Celebrate me for who I am  
Dislike me for what I ain't  
Put me up on pedestal  
Or drag me down in the dirt  
Sticks and stones will break my bones  
But your names will never hurt  
I'll be the garden, you'll be the snake  
All of my fruit is yours to take  
Better the devil that you know  
Your love for me will grow because  
This is who I am  
You can like it or not  
You can love me or leave me  
'Cause I'm never gonna stop, no, no  
Cleopatra had her way  
Matahari too  
Whether they were good or bad  
Is strictly up to you  
Life is a paradox  
And it doesn't make much sense  
Can't have the femme without the fatale  
Please don't take offense  
Don't let the fruit rot under the vine  
Fill up your cup and let's drink the wine  
Better the devil that you know  
Your love for me will grow because  
This is who I am  
You can like it or not  
You can love me or leave me  
'Cause I'm never gonna stop  
No, no, you know  
This is who I am  
You can like it or not  
You can love me or leave me  
'Cause I'm never gonna stop  
No, no, you know  
No no, you know

No no, you know  
No no, you know  
No no, you know  
I'll be the garden, you'll be the snake  
All of my fruit is yours to take  
Better the devil that you know  
Your love for me will grow because  
This is who I am  
You can like it or not  
You can love me or leave me  
'Cause I'm never gonna stop  
No, no, you know  
This is who I am  
You can like it or not  
You can love me or leave me  
'Cause I'm never gonna stop  
No, no, you know  
No no, you know  
No no, you know  
No no, you know  
No no, you know
