Hive Destruction

Isis

I can't see eyes swelled with stings stings
I can't breathe lungs filled with the bitter
venom the nest is collapsing upon itself
This isnt over in fact it's just begun hive
desgtruction imminet cover your face and runLies are flling fall from wings the walls are
seething seething with disease. The drone is
deafening from the malcontent swarm lies from
wings are falling blood in rivers runs lied
from wings fall hive destruction
