

When Love is Gone

Jim Photoglo

When love is gone I always get the feeling
I can't go on find myself dreamin' of things
That could've been and all the things
We never say, oh, oh, Oh when love is gone will it ever be the same
Will I go on chasing heartaches and learn to face the day
When I have done what I must do oh, I'll remember youWhen love is gone everyone's in couples
As I walk alone thinkin' I'll never find another love
Never know the beauty of, oh, oh, Oh when love is gone will it ever be the same
Will I go on chasing heartaches and learn to face the day
When I have done what I must do oohh oh,
I'll remember youLa la la....
When love is gone will it ever be the same
Will I go on chasing heartaches and learn to face the day
When I have done what I must do oh,
I'll remember you
