

Pay For It

Mindless Self Indulgence

Know I'll feel this way forever
I know no one will beg to differ
Goodbye, so long, it's been a pleasure
They love me when I say that
I don't want you to hate me (oh no), I want you to wanna hate me
I don't want you to date me (oh no), I want you to wanna date me
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a bitch
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a BITCH (hey x5)
Never gonna be perfect
(No, never gonna be, never good enough, not for me)
I know I'll feel this way forever
(No, never gonna be, never good enough, not for me)
I know no one will beg to differ
They love me when I say that
I don't want you to hate me (oh no), I want you to wanna hate me
I don't want you to date me (oh no), I want you to wanna date me
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a bitch
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a BITCH (hey x5)
Never gonna be perfect
(Noooooooooooooooooooooooooooo) (x2)
I let my motives be my motivations
I'm gonna rock you like a fornications
Too much of one thing never hurt me, baby
It is aggressive, that's the message we send (x2)
I don't want you to hate me (oh no), I want you to wanna hate
me
I don't want you to date me (oh no), I want you to wanna date me
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a bitch
I wanna pay for it, all this shit
I wanna pay for it like a god damn son of a BITCH (hey x11)
