

Raw Deal

ArnoCorps

t's a Raw Deal!It's all a scam, how it has to be
Fake my death, new identity
With new name, initial P
What's it for? I say Pussy!Prosecuted if I don't resign!
Bullshit promise I hear all the time!
They say I'll pay if I'm out of line!
A single goal, eliminate crime!
Don't drink and bake!Cops vs. cops, so many misled
With this new job, blood gonna be shed
Mob against mob, the family's dread
Reinstated only when they're dead!
Case is open, now it can't be closed!
The deal's gone raw, led by the bureaus!
Now I'm trapped by the job I chose!
Deal's gone raw, led by the bureaus!I want to see better days again!
Go!It's a Raw Deal!
