

# Nothing's Ever Over (Grizfolk Remix)

## TeamMate

You and I were ever complicated  
Said we want it all or not at all  
We tried, we fought, we caved, we lied, we hated  
Said we want it all or not at all But all I want  
We said so, we said so  
Is everything  
You and I, you and I  
Said all you want  
We said so, we said so  
Is everything So say, say it  
We don't have to fall out of love  
'Cause nothing's ever over  
We don't have to fall out of love  
'Cause nothing's ever over  
Even when it's not enough  
To keep the fire goin'  
We don't have to fall out of love  
'Cause nothing's ever over We coulda ripped our hearts from one another  
Said we'd build it up or burn it down But All I want  
We said so, we said so  
Is everything  
You and I, you and I  
All you want  
We said so, we said so  
Is everything  
So say, say it We don't have to fall out of love  
'Cause nothing's ever over  
We don't have to fall out of love  
'Cause nothing's ever over  
Even when it's not enough  
To keep the fire goin'  
We don't have to fall out of love  
'Cause nothing's ever over
