niggaz actin funny but I know an at they wrong trick (wassap?),
you rollin with no security for my coogis ride in a front of me,
Pata-bang, who was that? Dance from the Dogg Pund,
chopper busting niggas pocking bullets fly, niggas down,
police take this all about, win that body, lay on the ground,
like told you niggas we don`t play that shit, we turn it up and down.
Talkin` bout a nigga, what you be about it?
You know you see a better nigga,
you know we about a mask to the game play,

and you know how a nigga do it.Yeeeeah !!

Hard in the motherfucker bang, real G`C.
Busta ass motherfuckin` niggas can`t kill me.
When I`m rollinn, yeah, I`m low kick, (kick).
