

# Song Cries and Amens

## Grace

Song cries and amens  
Sometimes I hate me  
Let's play a game, play a game that I like  
Say a thing, say a thing, and I might  
Look dumb, I'm selfish, you're right  
I can't be normal, I lied  
Insane, we're gone and I tried  
In the attic, been up here all night  
I'm lame, so what?  
I'm alright  
I'm up, I'm stuck in this song  
Some shyness is fading, song cries and amens  
Some shyness is fading, song cries and amens  
Some shyness is fading, song cries and amens
