Lightning

Hydergine

(Tom)
You're in control,pressing pause on my heartbeat,
Someone stole all the air,so I can't speak,
Now I know the chase is on,
I feel as though my time has come.
(Jay)
How many times do I fly through your head space,
Now it's speeding away from a safe place,
Yeah,your skin,the touch,the kiss,
The rush, too much,and here it comes.
(All)
When your lips touch mine,
It's the kiss of life,
I know, I know that it's a little bit frightening,
We might as well be playing with lightning.
We touch like,
Like it's our first time,oh oh,
I know that it's a little bit frightening,
We might as well be playing with lightning now...oh oh.
(Siva and Max)
Just you and me and the coats in the back room,
Learning things they don't teach in the classroom,
Now,you're here,I feel the fear,
Now everything is oh,so clear.
(Nathan and Max)

I've been addicted to you since the first hit,
Out of control like a surge of electric,
Yeah,your skin,the touch,the kiss,
The rush, too much and here it comes.
(All)
When your lips touch mine,
It's the kiss of life,
I know, I know that it's a little bit frightening,
We might as well be playing with lightning.
We touch like,
Like it's our first time,oh oh,
I know that it's a little bit frightening,
We might as well be playing with lightning now...

Oh oh,
Oh oh,
Oh oh,
Oh oh.
Your skin,the touch,the kiss,too much,
Your skin,the touch,the kiss,the rush,
Your skin,the touch,the kiss,too much,
The rush,the rush,the rush,the rush.
When your lips touch mine,
It's the kiss of life,
I know, I know that it's a little bit frightening,
We might as well be playing with lightning.
We touch like,
Like it's our first time,oh oh,
I know that it's a little bit frightening,
We might as well be playing with lightning now...oh oh.
