Evader

Spetsnaz

he's the slime that always creeps up behind me everywhere i go
i got pushed into the vortex of his emotional freakshow
his lies makes peoples head spin and i walked right into the storm
but while he's looking for shelter i'm still warmcan't touch me
can't reach me
i learned the hard way
if you don't dare to live you still die somedayi'm a man of belief and i pay for my mistakes
he's a backstabbing evader of truth and a waste of spacethe blood on his hands
the sheep at his face
they follow in his steps
the trail of deceit
when smart men are dumb
and blind men can see
when black is white
and shamen freecan't touch me
can't reach me
i learned the hard way
if you don't dare to live you still die somedayi'm here
i'm right here
and i'm not afraid
if you don't dare to play
just walkawaystay out of my face (x2)the blood on his hands
the sheep at his face
they follow in his steps
the trail of deceit
when smart men are dumb
and blind men can see
when earth and sky
and shamen freecan't touch me
can't reach me
i learned the hard way
if you don't dare to live you still die somedayi'm here
i'm right here
and i'm not afraid
if you don't dare to play
stay the fuck away (x2)stay out of my face
stay clear of my fist
