# Mud Puddle

## Disciple

I know your heart and you mean well
sometimes you don't care how I feel
all the stories I can tell how you make me feel like I'm in hell
I know if I could I'd really love to let it go (Ephesians 4:26-27)
I know that I should turn my cheek for another blow (Matthew 5:39)
I should do good when you do me bad (Matthew 5:44)
all the forgiveness that my Saviour had (Luke 23:34)
I feel like dying when you curse me up one end
and down another (James 3:8-10)
I get disgusted when the way you kill me seems so subtle
you left me crying in a mud puddle

I see the anger in your eyes
my every action you despise
just to win the argument you hit me square below my belt
I will repay evil with good (Matthew 5:44)
I will release my bitterness (Hebrews 12:14-15)
I give you my forgiveness (Matthew 6:14)
I hope you liked my flowers (Romans 12:20)
