

Fishnet Stockings

Brian Setzer

Get on that rockabilly train
Well, my sweet baby wears fishnet stockings
And when she starts a rockin' there ain't no stoppin'
Singing, wop bop a doo bop, fishnet stockings
Shoo wop a doo wop, when she's rockin'
Bop bop a doo bop, there ain't no stoppin'
I'm rockin' with my baby in her fishnet stockings
She's got a pair in pink
She's got a pair in red
When she puts the black ones
She makes me lose my head
Singing, wop bop a doo bop, fishnet stockings
Shoo wop a doo wop, when she's rockin'
Bop bop a doo bop, there ain't no stoppin'
I'm rockin' with my baby in her fishnet stockings
She's got a pair in pink
She's got a pair in red
When she puts the black ones
She makes me lose my head
Singing, wop bop a doo bop, fishnet stockings
Shoo wop a doo wop, when she's rockin'
Bop bop a doo bop, there ain't no stoppin'
I'm rockin' with my baby in her fishnet stockings
Alright, boys, let's go
Well, my sweet baby wears fishnet stockings
Fishnet stockings
Fishnet stockings
I'm rockin' with my baby in her fishnet stockings
Fishnet stockings, oh yeah
I'm rockin' with my baby in her fishnet stockings
