Easily I Approach

Shawty Lo

I'm the man 'round here, capiche?
Brown paper bag, ol' dope boy money
Ol' dope boy money
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
Easily I approach
The microphone, yeah, the kid's no joke
Tell your hoe to get off of my dick
Hypnotized by this shit that I spit
Yeah, slow flow new flavor in your ear
I used to swear, man, talk was cheap
Now I'm gettin' twenty thousand fee
Damn, 20 thousand to speak?
75 if you want a ki'
Get a 10-pack, 17 a piece
I'm the man 'round here, capiche?
Call me Big Bird like Sesame Street
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
Shawty, what'chu doin'? Ain't doin' nuttin'
Cookin' up a chicken 'cause the rent due, money
Fifty-five hundred, they ain't know money
Magic city money, still blowin' money
Body Tap, Wednesday, still throwin' money
Units in the City, I done sold another hundred
Small faced hundreds, ninety-four money
Brown paper bag, ol' dope boy money
Man I'm a stunna, nigga youse a fronter
Nigga youse a bitch and you get it from your momma
Real brick runner, nigga on the corner
On my grandmama, got more chickens than a farmer

I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
Early in the mornin', slippers and pajamas
Got 'em, get 'em ready 'cause them country boys is comin'
And I don't believe in Karma, I believe in numbers
Add mo' zeros, I need more commas
Back in Tijuana, mighty close to water
Can get 'em from the border, break 'em down in Georgia
75, make 'em where you can afford 'em
Where yo' peoples at? Tell 'em go on and place they order
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
I'm the man 'round here, capiche?
Small face hundred, ninety fo' money
Brown paper bag, ol' dope boy money
Ol' dope boy money
