

Beg

Guy Sebastian

Iâ'm calling and calling
Still you had the heart to hit ignore
Emotions see sore in
So tell me how am I supposed to give more

Itâ's getting colder where we stand
And Iâ'm trying to touch your hand
But youâ're just out of reach
And all Iâ'm really tryinâ' to say
Is can you meet me halfaway
But if youâ're staying there instead

Iâ'm not gonna beg
Iâ'm not gonna make you want me
Iâ'm not gonna fall to my knees
I shouldnâ't have to say please
Iâ'm not gonna beg
â'Cause this is me all fair
You should wanna be here
And give my life a no
But Iâ'm not gonna beg

Itâ's your way or the high way
Thereâ's only so much bend before I break
And itâ's like I paddled into a tidal wave
And now I feel like all itâ's lost in itâ's wave

Itâ's getting older every day
Iâ'm holding on but Iâ'm afraid
Itâ's not all in my head
Thereâ's nothing more that I can say
You gotta meet me halfaway
But if youâ're staying there instead

Iâ'm not gonna beg
Iâ'm not gonna make you want me
Iâ'm not gonna fall to my knees
I shouldnâ't have to say please
Iâ'm not gonna beg
â'Cause this is me all fair

You should wanna be here
And give my life a no
But Iâ'm not gonna beg

You shouldn't feel like this feel like this baby no
We should be in this together
And if it stays like this, stays like this you know
I won't be here forever no, no

Iâ'm not gonna beg
Iâ'm not gonna make you want me
Iâ'm not gonna fall to my knees
I shouldn't have to say please
Iâ'm not gonna beg
'Cause this is me all fair
You should wanna be here
And give my life a no
But Iâ'm not gonna beg
Iâ'm not gonna beg
Iâ'm not gonna beg
