

# Let Me Love You (Sllash Remix)

Mario

Baby, I just don't get it  
Do you enjoy being hurt?  
I know you smelled the perfume  
The make-up on his shirt  
You don't believe his stories  
You know that they're all lies  
Bad as you are, you stick around  
And I just don't know why If I was ya man, baby you'd  
Never worry bout, what I do  
I'd be coming home, back to you  
Every night, doin' you right  
You're the type of woman, deserves good things  
Fist full of diamonds, hand full of rings  
Baby, you're a star, I just want to show you, you are You should let me love you  
Let me be the one to  
Give you everything you want and need  
Baby, good love and protection  
Make me your selection  
Show you the way love's supposed to be  
Baby, you should let me love you, love you, love you  
Love you, yeah Listen  
Your true beauty's description  
Looks so good that it hurts  
You're a dime plus ninety-nine  
And it's a shame don't even know what you're worth  
Everywhere you go they stop and stare  
'Cause you're bad and it shows  
From your head to your toes, out of control, baby you know If I was ya man, baby you'd  
Never worry bout, what I do  
I'd be coming home, back to you  
Every night, doin' you right  
You're the type of woman, deserves good things  
Fist full of diamonds, hand full of rings  
Baby, you're a star, I just want to show you, you are You should let me love you  
Let me be the one to  
Give you everything you want and need  
Ooh baby, good love and protection  
Make me your selection  
Show you the way love's supposed to be

Baby, you should let me You deserve better girl, you know you deserve better  
We should be together girl, baby  
With me and you it's whatever girl, hey  
So can we make this thing ours? You should let me love you  
Let me be the one to  
Give you everything you want and need  
Good love and protection  
Make me your selection  
Show you the way love's supposed to be Baby, you should let me love you  
Let me be the one to  
Give you everything you want and need  
Good love and protection  
Make me your selection  
Show you the way love's supposed to be You should let me love you  
Let me be the one to  
Give you everything you want and need  
Good love and protection  
Make me your selection  
Show you the way love's supposed to be, yeah  
Let me love you That's all you need, baby
