Slave Morality

Holy Sons

I won't stand idly by...
Don't wanna comfort anyone
No one should feel alright,, around me.
You couldn't lie... but yr whole life is a lie.
And I know the cliche... I know you was afraid.If you've got some lovin' in yr heart
And yr willing to show me where it starts
Come and show me where it startsEverybody knows, Everybody knows.
that you couldn't take yr own {medicine}
