

Hood Now (outro)

Lupe Fiasco

This one for the hood! [Verse 1]

What do you do when it's so unequal?

Wear Michael Jordan's with your tuxedos

It's hood now

It's hood now

Yea, yea

It's "hood" now

Public school system only teaching parts

So the school of hard knocks is what make you street smart

You're hood now

Hood now

Yea, yea

Hood now

Open fire hydrant 'front the liquor store

Kool and perm ads all on the billboards

You in the hood now

You in the hood now

That's right

You in the hood now

Ramen noodle soups, you make the best

Water in the milk to make it stretch

That's the hood now

That's the hood now

That's the hood now

That's the hood now

Ivy League was running really well then

They slipped up and let Cornel in

It's hood now

It's hood now

Yes it is

It's hood now

In Miami Beach, it's rich white folks

But Memorial Day, "you know who" do the most

It's hood now

It's hood now

It's hood now

Yea, it's hood now

And house shoes is for the house fool

The homies wear 'em out, how cool

It's hood now
It's hood now
That's hood now
Oh yea, that's hood now
And that Mercedes Benz, on them giant rims
Open up the trunk and see 'bout twenty ten's
That's hood now
It's hood now
That's hood now
Oh yea, that's hood now
And diamond chains was for kings and queens
But since we got to 'em they'll never be the same
They hood now
They hood now
Bling, Bling
It's hood now
You pissed her off, you broke the rules
Her earrings out, she taking off her shoes
It's hood now
It's hood now
It's about to be...
Really hood now
Chop up Jazz, loop up the Rock
Sample the Blues, call it Hip-Hop
It's hood now
It's hood now
Yea mayne
It's hood now[Hook]
We took that hurt, made it into songs
God bless the child that's got his own
Sayin' it's hood now
Sayin' it's hood now[Verse 2]
Pants saggin' right off my ass
I sit it down, right in first class
It's hood now
It's hood now
Yes sir
It's hood now
Fancy restaurant, dress code
T-shirt, gym shorts
It's hood now
It's hood now
Hallelujah
It's hood now
Fashion shows, with fancy clothes

You see Mr. West right in the front row
It's hood now
It's hood now
That's what it means
It's hood now
At the Oscar's, P on the sticks
And the winner is Three-6
It's hood now
It's hood now
Uh oh
It's hood now[Hook]
We took that hurt, made it into songs
God bless the child that's got his own
Sayin' it's hood now
Sayin' it's hood now[Verse 3]
You had Elvis Presley and he was crackin'
But guess what? Here comes Michael Jackson
It's hood now
It's hood now
That's right
It's hood now
Pro sports, them was yo' courts
But you let us in, so on and so forth
It's hood now
It's hood now
Uh huh
It's hood now
They gave us scraps, some of it old
We cooked it up and called it "soul"
It's good now
It's good now
You like that?
It's hood now
And you know me, I don't vote
But the White House, you already know
It's hood now
It's hood now
Yes sir
It's hood now[Hook]
We took that hurt, made it into songs
God bless the child that's got his own
Sayin' it's hood now
Sayin' it's hood now
Yea[Outro]
You know I had to do it

Can't forget where you came from
One for the ghetto
Two for the hood
Three for the all
Four for the good Yea And we out
This the great
I mean, God is Great
