

I Believe In Your Love

Charles Bradley

I, ooh, I believe in you love
Try to hold on to you, baby
And make things alright, babe
Why you wanna do me like this
When I
(I believe in your love)
I
(I believe in your love)
Oh
(I believe in your love)
Oh, baby
(I believe in your love)
You think I got caught up in your game?
But I feel the same feeling that you given me
You think because you give me love that I'm gonna give in
Like they say, it's only a thrill
Baby, when you get your mind right
Come and talk to me and I might give in to your love
But if it's not right, I found the true love in me
'Cause I
(I believe in your love)
I
(I believe in your love)
Oh, oh, oh
(I believe, I believe in your love)
Oh, baby
(I believe, I believe, I believe in your love)
I, I believe in your love, baby
(I believe, I believe, I believe in your love)
I believe in your love
(I believe, I believe, I believe in your love)
I believe in your love, baby
(I believe, I believe, I believe in your love)
I believe in your love
(I believe, I believe, I believe in your love)
I believe in your love
(I believe, I believe, I believe in your love)
I believe in your love
(I believe, I believe, I believe in your love)
Yeah

(I believe, I believe)
