

Conspiracy (Live in Anaheim)

Paramore

Please speak softly
For they will hear us
And they'll find out
Why we don't trust them Speak up dear
Cause I cannot hear you
I need to know
Why we don't trust them Explain to me
This conspiracy against me
Yeah yeah yeah
And tell me how
I've lost my power
Oh yeah Where can I turn
Cause I need something more
Surrounded by uncertainty
I'm so unsure
Tell me why
I feel so alone
Cause I need to know
To whom do I owe Explain to me
This conspiracy against me
Yeah yeah yeah
And tell me how
I've lost my power
Oh yeah I thought that we'd make it
Because you said
That we'd make it through
And when all security fails
Will you be there to help me through Explain to me
This conspiracy against me
Yeah yeah yeah
And tell me how
I've lost my power
Oh yeah
