Polka Party!

Weird Al Yankovic

You could have a big dipper
Going up and down all around the bends
You could have a bumper car bumping
This amusement never ends
I wanna be your sledgehammer
Why don't you call my name?
Oh, let me be your sledgehammer
This will be my testimony, yeah, yeah
There's a girl that's been on my mind all the time
Su-su-sudio, oh oh
Now she don't even know my name
But I think she likes me just the same
Su-su-sudio, woh oh
And my girl wants to party all the time
Party all the time, party all the time
My girl wants to party all the time, party all the time
She parties all the time
Say you, say me
Say it for always, that's the way it should be
Say you, say me
Say it together naturally
We're going riding on the freeway of love
Wind's against our back
We're going riding on the freeway of love
In a big Cadillac
That's why you need, ooh
That's why this what you need, I'll give you what you need

Yah, yah, yah, do the Harlem polka, everybody now
Yah, yah, yah, do the Harlem polka
She's got it, yeah baby, she's got it
Well, I'm your Venus, I'm your fire
What's your desire?
Nasty, nasty boys don't mean a thing
Oh, you nasty boys
Nasty, nasty boys don't ever change
Oh, you nasty boys
I like this part
Ooh, rock me Amadeus

Ooh, rock me Amadeus
Ooh, rock me Amadeus, ooh
Shout, shout, let it all out
These are the things I can do without, come on
I'm talking to you, come on
Please papa don't preach, I'm in trouble deep
Papa don't preach, I've been losing sleep
But I've made up my mind I'm keeping my baby
Oh, I'm gonna keep my baby
I'm gonna keep my baby
Keep my baby
Keep my baby
Keep my baby
Hey
