

Polka Party!

Weird Al Yankovic

You could have a big dipper
Going up and down all around the bends
You could have a bumper car bumping
 This amusement never ends
I wanna be your sledgehammer
 Why don't you call my name?
 Oh, let me be your sledgehammer
 This will be my testimony, yeah, yeah
There's a girl that's been on my mind all the time
 Su-su-sudio, oh oh
 Now she don't even know my name
 But I think she likes me just the same
 Su-su-sudio, woh oh
 And my girl wants to party all the time
 Party all the time, party all the time
My girl wants to party all the time, party all the time
 She parties all the time
 Say you, say me
 Say it for always, that's the way it should be
 Say you, say me
 Say it together naturally
 We're going riding on the freeway of love
 Wind's against our back
 We're going riding on the freeway of love
 In a big Cadillac
 That's why you need, ooh
That's why this what you need, I'll give you what you need

Yah, yah, yah, do the Harlem polka, everybody now
 Yah, yah, yah, do the Harlem polka
 She's got it, yeah baby, she's got it
 Well, I'm your Venus, I'm your fire
 What's your desire?
 Nasty, nasty boys don't mean a thing
 Oh, you nasty boys
 Nasty, nasty boys don't ever change
 Oh, you nasty boys
 I like this part
 Ooh, rock me Amadeus

Ooh, rock me Amadeus
Ooh, rock me Amadeus, ooh
Shout, shout, let it all out
These are the things I can do without, come on
I'm talking to you, come on
Please papa don't preach, I'm in trouble deep
Papa don't preach, I've been losing sleep
But I've made up my mind I'm keeping my baby
Oh, I'm gonna keep my baby
I'm gonna keep my baby
Keep my baby
Keep my baby
Keep my baby
Hey
