

# Shadowlands

[Rebecca St. James](#)

You promised me that You'd never leave, or let me go  
You promised me that You'd love me through the highs and lows  
You promised me You won't give me more than I can bear  
You promised me that when I cry out that You'd be there  
The shadowlands are what I know  
So I'm hanging on to Your every word  
The shadowlands surround me now  
But You walk with me through the cloud  
Into the sun, into the sun  
You promised me if I sow in tears, I'll reap in joy  
You promised me that You will breathe life into my soul  
The shadowlands are what I know  
So I'm hanging on to Your every word  
The shadowlands surround me now  
But You walk with me through the cloud  
Into the sun, into the sun  
I know it's true all that You say  
I believe in You and I am standing on  
The promises you've made, hey, hey  
The shadowlands are what I know  
So I'm hanging on to Your every word  
The shadowlands surround me now  
But You walk with me through the cloud  
Into the sun, into the sun, the sun  
Into the sun, into the sun  
You promised me and I believe
