

# Men Without God

## Kreator

Planet left by its god  
Ideology died and the vision is gone  
Oppression part of the plot  
Degrading life into material force  
Emptiness pain in their faces  
Vicious expression of purest hate  
Nightmares fulfill  
Nightmares fulfill  
Grotesque abstraction  
Deformed lost in their fate  
Lunatics murder without any reason  
A killer instinct that enslaves  
Endangered dying species for societies  
Fabric nameless tools lost their face  
Atrocity conquered the mind  
Decadent deligation repulsive elite  
Violent emotionless time  
Decade of militant brutal prestige  
Emptiness pain in their faces  
Vicious expression of purest hate  
Nightmares fulfill  
Grotesque abstraction deformed  
Lost in their fate  
Lunatics murder without any reason  
A killer instinct that enslaves  
Endangered dying species for  
Society's fabric nameless tools  
Lost their face  
Descent to the void  
Human vultures of the soul  
Impurity destroyed  
A new religion of control  
Bizarre moral catastrophe  
Wasteland left by the almighty  
Mind war of freezing fear  
A new kingdom of terror is here  
Screaming dying from inside  
Slave to the master of all lies  
Desperate men turn into beasts  
Scavengers of cancerous disease  
Paradise was only an illusion  
Hell on earth became so real  
A place the ancient ones forgot  
Hordes of men without God
