Downtown's Dead

Sam Hunt

[Verse 1]
The city's so in style, all you see for miles are people spilling in and out of cars
Man I love these bars are making a killin
Everywhere I go looks like the place to be
I see people that I know and I feel like there's no one here but me[Chorus]
Downtown's dead without you
Girls walk by and friends say hi, then Friday night it might as well be just another
Tuesday night without you
As long as you're still in my head there ain't a way that I can paint a ghost town red
Downtown's dead, downtown's dead
[Verse 2]
Dancing in the strobes out here in the throws of loud house music
Everything's a blur
I don't hear the words but lips are moving
Try to get involved, but I've about had enough of people wall to the wall
And I'm just holding it up cause[Chorus]
Downtown's dead without you
Girls walk by and friends say hi, then Friday night it might as well be just another
Tuesday night without you
As long as you're still in my head there ain't no way that I can paint a ghost town red
Downtown's dead, downtown's dead[Bridge]
Free drinks, bright lights, what am I doing with my life?
Okay, I quit.. I've had enough of this
Cause people are losing their minds, can't get you out of my head, I'm calling it a night
I'm crawling back to your bed...
[Chorus]
Downtown's dead without you
Girls walk by and friends say hi, then Friday night it might as well be just another
Tuesday night without you
As long as you're still in my head there ain't a way that I can paint a ghost town red
Downtown's dead, downtown's dead
