Drop the Bombshell

Powerman 5000

GET UP GET UP GET UP
Drop the bombshell!
GET UP GET UP
This is outta control!
GET UP GET UP GET UP
Drop the bombshell!
GET UP GET UP
Get goneNow look who's comin' yeah look who's back
Quick drop the bombshell
straight to the track
The 21st century killing machine
I'm on the inside of a five-headed teamNow I'm not the same
Yeah, cause you're not the same
And you're not the same yeah
Cause I'm not the same
And we're not the same
This could never be the same
and We just wanna surviveChorus x2Now you wanna save us and you want it all
And you want the transmit, cause you want the call
And you want the one that made the worlds collide
But since that has happened the girls watch in sizeWe're not the same x3Chorus x2get up get up!
((drop the bombshell))
get up get up!
((drop the bombshell))chorusyeah! yeah yeah!
