

Detroit Baby

Habibi

They say you wait (you wait), you wait so long (so long)
I though I had it (I had it), but I was wrong (so wrong),
and then I found it, and you found me
My Detroit Baby, you're all I needHe holds my hand (my hand), when we're alone (we're alone)
He sent me flowers, when he's gone (he's gone)And when he kisses, he'll never miss
My Detroit Baby, sweet sugar lipsHe calls my name (my name), when he's away (away)
He drives me home (me home), I wish he'd stay (he'd stay)My Detroit baby, my sweet boy {in Farsi} sweet
sugar toyI see you walkin', you walkin' by
Walkin' down Woodward, tryin' catch your eye
You got a story? I got one too.
If you come over here, I'll talk to youThey say you wait (you wait), you wait so long (so long)
I though I had it (I had it), but I was wrong (so wrong),
and then I found it, and you found me
My Detroit Baby, you're all I needDetroit Baby, my Detroit Baby x3
Detroit Baby
Detroit Baby, my Detroit Babyx3
Detroit Baby x4
