I Feel Bad

Rascal Flatts

I should be out in that driveway stopping you
Tears should be rolling down my cheek
And I don't know why I'm not falling apart like I usually do
And how the thought of losing you is not killing me
I feel bad that I can stand here strong
Cold as stone, seems so wrong, I can't explain it
Maybe it's just, I've cried so much
I'm tired and I'm numb, baby, I hate it
I feel bad that I don't feel bad
I can let myself be angry over wasted time
And sad about just throwing love away
Yeah, I almost wish my heart was breaking but I can't lie
All I want to do is turn the page

I feel bad that I can stand here strong
Cold as stone, seems so wrong, I can't explain it
Maybe it's just, I've cried so much
I'm tired and I'm numb, baby, I hate it
I feel bad
That I don't feel bitter, alone
I just feel it's time, it's time to move on
I just gotta move on and on and on and on, yeah
But maybe it's just, I've cried so much
I'm tired and I'm numb, oh, baby, I hate it
I feel bad that I don't feel bad, no, I don't feel bad
