

Closer

Brian Courtney Wilson

This is a message to the faithful
Know that our God has not forgotten you
If you're pressing and Praying
And looking for a sign
Just know you're closer than you think This is a message to the broken (yeah)
Know that our God has not forsaken you (oh no)
If you're weary and wounded
And wondering "what was it worth?"
Just know you're closer than you think
To every promise He made
And every prayer that you pray
Because you decided to stay
One day you will see
He really means just what He said He would do
And all He has stored for you
You're getting closer (yes)
You're getting closer This is a message from my Savior
Sent to comfort and encourage you
You are the champion of your story
But that half has not been told
Just know you're closer than you think
Just know you're closer than you think (oh yes)
Just know you're closer
Now hold on (hold on)
Hold on (hold on)
You're getting closer
You're getting closer (yeah) Hold on (hold on)
Hold on (hold on)
You're getting closer (yes)
You're getting closer Hold on (hold on)
Hold on (hold on)
You're getting closer (yes)
You're getting closer Put your hand (hold on)
In our Master's hand (hold on)
He's pulling you closer (you're getting closer)
He's pulling you closer (you're getting closer) You're getting closer (closer)
Closer (closer)
Closer (closer)
Yes God (you're getting closer)

Yes (you're getting closer) To every dream (closer)
And every plan (closer)
You're getting closer
You're getting closer This is a message to the faithful
Know that our God has not forgotten you (oh no)
If you're pressing and Praying
And looking for a sight
Just know you're closer than you think!
