

# Two Black X's

Dylan Schneider

We had two black x's on our hands  
Singing right along  
To the sound of a cover band  
Sneaking sips from an ice cold blue can  
With two black x's on our hands You cut them jeans short as you could  
Girl, you wear reckless so damn good  
I'm probably staring way more than I should  
'Cause you cut them jean short as you could Girl, I want you so bad  
Just stay right where you're at  
Why would I want you back  
When I could have you right now, baby  
Somethin' about the way you move  
Just got me hooked on you  
Let's make it in as long as we can  
Two black x's on our hands  
With two black x's on our hands  
You got my heart all knit up, babe  
Dancin' around like it's your stage  
Don't need no beer to intoxicate me  
One shot of your hips, chased with your lips  
And I'm going crazy Girl, I want you so bad  
Just stay right where you're at  
Why would I want you back  
When I could have you right now, baby  
Somethin' about the way you move  
Just got me hooked on you  
Let's make it in as long as we can  
Two black x's on our hands  
With two black x's on our hands  
Girl, I want you so bad  
Just stay right where you're at  
Why would I want you back  
When I could have you right now, baby  
Somethin' about the way you move  
Just got me hooked on you  
Let's make it in as long as we can  
Two black x's on our hands  
Two black x's on our hands  
Yeah
