Rolling Bone

Ken Stacey & George Newbern

I keep rolling straight and true
Till I find my way back to you
But until that day Iâ€™ll be on my own
Like a rolling bone
Walking boulevards
Till my fur is cold and wet
Come highway or byway
I got to do it my way
Until that day, Iâ€™ll be on my own
Like a rolling bone
Iâ€™m a rolling bone and I walk alone
Iâ€™m a rolling bone and the road is long
Yeah, Iâ€™m a rolling bone and you know itâ€™s true
Iâ€™m a rolling bone rolling back to you
I was born a stray
All I owned was the music in my soul
Yeah, ah, ah
Had to find my way
Living on my dream of rock â€˜nâ€™ roll
Oh, like a rolling bone
Iâ€™ve been rolling, I know
And I keep rolling straight and true
Till I find my way back to you
Until that day, Iâ€™ll be on my own
Like a rolling bone
Oh, like a rolling bone
