Nymph's Recall

Thy Majestie

[Syphiride:]
"Through your great feats your joys and pains
I'll follow you even in disgrace"
[Arther:]
"Thank you my nymph thank you my fate...
I'll try to remove the evil's hate"
[Elves:]
"Dona nobis pacem with your grandiose-mighty steel
'cause our lands are obscured by night
And we can't look at the sky anymore"
