

# Everything To Me

## Sonicflood

do I honor You with words  
or do I walk a thousand miles  
to show You what Your worth  
in all I say in all I do  
IÃ¢??m ever short of You  
with empty hands I come  
a beggars song I sing to You  
You are my cup  
You are my bread  
YouÃ¢??re the spotless lamb  
my truest friend  
You are my King  
You are my peace  
YouÃ¢??re the air I breathe  
YouÃ¢??re everything to me  
am I standing only ankle deep  
or do I fear the crashing waves  
afraid that I may sink  
draw me to the deepest place  
that I might worship You  
with empty hands I come  
a beggars song I sing to You
