Holy Moses

Jann Arden

I don't know how I'll get by without you?
I'll be wrecked, I'll be ruined
I don't know how I'll get past tomorrow?
I bet I'll be broken open wideI don't think I told you, I feel terrible
I've been sitting in this chair since Sunday
In the same clothes with unwashed hair
Nothing moving, I feel unusualHoly Moses, I've been hanging over
Holy Moses, I've been burned like a cigarette
Oh Jehovah, I've been thrown a bone
And I cannot remember when I was happyCan you feel my heart beating like a thunder ball?
Can you hear every sound, I'm making?
In the darkness without breathing
Nothing moving, I feel peculiarI don't know, I can't tell if I am myself?
If I was a good girl, would I be here?
If I was so stupid then what was, what you did?
You were not a good thing for meHoly Moses, I've been hanging over
Holy Moses, I've been burned like a cigarette
Oh Jehovah, I've been thrown a bone
And I cannot remember when I was happy, happy, happyI don't know, I can't tell if I am myself?
I don't know, I can't tell if I am myself?
I don't know, I can't tell if I am myself?
I don't know, I can't tell if I am myself?
