Overwhelmed

Tim Mcmorris

From the first time I saw you
I knew that youâ€™d be mine
And from the first glance you gave
My world it slowed, you stopped the time

And in that moment I could see all of the things that we would be
You were the girl I was waiting for, thatâ€™d Iâ€™d ask to marry me

Like the beauty of the sun you light my life so I can see
You make me laugh and show me how, just how good this life can be
And in our moments filled with joy, is where I live, where I am free
Lay in my arms, Iâ€™ll hold you tight, just like you like, continually

And I am, over-whelmed, by you
Am, over come with joy
Youâ€™ve, taken me higher, and shown me what love can do
Where would I go, or be, without you

Thereâ€™s something in your smile that gives me strength to carry on
And there something in your words that lingers even when your gone
Oh Iâ€™ve dreamt, that a time like this would come, fulfill my life
Who could of known the one whoâ€™d bring it here would be my lovely wife

I could sing a thousand songs about you still that would not do
Thereâ€™s a million tiny things that make the things that you do, you
I wouldnâ€™t trade our time together, wouldnâ€™t trade for anything
Cause nothing else here in the world can bring the happiness you bring

And I am, over-whelmed, by you
Am, over come with joy
Youâ€™ve, taken me higher, and shown me what love can do
Where would I go, or be, without you
