

# Wicked Game (cover)

## Widowspeak

The world was on fire, and no one could save me but you  
It's strange what desire will make foolish people do  
And I never dreamed that I'd meet somebody like you  
And I never dreamed that I'd lose somebody like you  
No, I don't wanna fall in love  
    No, I don't wanna fall in love  
    With you  
With youWhat a wicked game to play,  
    To make me feel this way  
    What a wicked thing to do,  
    To make me dream of you  
    What a wicked thing to say,  
    You never felt that way  
    What a wicked thing to do,  
To make me dream of youAnd I don't wanna fall in love  
    No, I don't wanna fall in love  
    With you  
With youThe world was on fire, and no one could save me but you  
It's strange what desire will make foolish people do  
And I never dreamed that I'd meet somebody like you  
and I never dreamed that I'd lose somebody like you  
No, I don't wanna fall in love  
    No, I don't wanna fall in love  
    No, I...  
    No, I...Nobody loves no one
