

# Fall

## J. Holiday

It wasn't supposed to go this way Every day I get up she's on my mind  
I can't get enough and I don't know why  
But it's more than a crush  
I can't believe it's getting deeper, all the time I wanna see her But it wasn't suppose to go this way  
She was suppose to be another game to play  
And I can't figure it out, I don't know how she did it  
But she made me fall, fall, fall How do you find yourself inside of love  
With a girl that you met inside the club?  
Never could that be me, yeah  
That was what I used to say until it happened just the same to me I never thought it could happen to me  
But these days I'm finding myself on the ground  
And I just don't know how I got here  
All I know is that I'm down and out But it wasn't suppose to go this way  
She was suppose to be another game to play  
And I can't figure it out, I don't know how she did it  
But she made me fall, fall, fall Have you ever met someone that you thought was for the moment?  
Then they came and stole your heart before you knew that it was stolen  
Took you by surprise 'cause you never saw it coming  
And now I can't deny that baby girl you got me fallin' But it wasn't suppose to go this way  
She was suppose to be another game to play  
And I can't figure it out, I don't know how she did it  
But she made me fall, fall, fall But it wasn't suppose to go this way  
She was suppose to be another game to play  
And I can't figure it out, I don't know how she did it  
But she made me fall, fall, fall How did I find myself inside of love?
