Imperia

Fountains Of Wayne

The day you drew your final breath
And parted from the earth
Is carved into the stone that bears
Your name and date of birth
Ooh, ooh, ooh, ooh, ooh, ooh Imperia
Ooh, ooh, ooh, ooh, ooh, ooh Imperia
He was leaning over you
With flowers in his hand
Tryin' through the years to see
The heart inside the man
Ooh, ooh, ooh, ooh, ooh, ooh Imperia
Ooh, ooh, ooh, ooh, ooh, ooh Imperia
