(translation:
Who is of smiling face, bestower of all fortunes,
Whose hands are ready to rescue anyone from fear,
Who is adorned by various ornaments with precious stones)
Puer natus est nobis,
Et filius datus est nobis:
Cujus emperium super humerum... for to us a child is born,
To us a son is given:

And the government will be upon his
Shoulder..
Some day you came
And I knew you were the one
You were the rain, you were the sun
But I needed both, cause I needed you
.
You were the one
I was dreaming of all my life
When it is dark you are my light
But don't forget
Who's always our guide
.
It is the child in us
