

Dig up Her Bones

The Misfits

Anything is what she is
Anywhere is where she's from
Anything is what she'll be
Anything as long as it's mine

And the door, it opens,
is the way back in
Or is it the way back out

Anyplace is where she'll be
Anyplace, she'll see you from
Lies and secrets become your world
Anytime, anywhere,
she takes me away

And death climbs up the steps one by one
To give you the rose that's been burnt by her son

Point me to the sky above
I can't get there on my own
Walk me to the graveyard
Dig up her bones

I have seen
the demon's face
I have heard
of her death place
I fall down on my knees
in praise of the
horrible things that took her away

And death climbs up
the steps one by one
to give you the rose
that's been burnt by her son

Point me to the sky above
I can't get there on my own
Walk me to the graveyard

Dig up her bones (Repeat)

Bones
