# By The Time This Night Is Over

## Peabo Bryson

Oh ohSilence takes over
Sayin' all we need to say
There's endless possibilities
In the moves we can make
Your kiss is giving every indication
If this heart of mine is rightBy the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
It's gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is overLe'ts take a slow and easy ride
Just lay back and let love take us over
There's magic here with you and I
And its gonna take us all the way
Let's find some kind of a deeper conversation
And darling if its rightBy the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
Its gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is overA night like this may never come again
And you won't want this lie to end
Oh baby we can have it all
By the time this night is over
Oh oh ohBy the time this night is over
The stars are gonna shine on two lovers in love
And when the morning comes
It's gonna find us together
In a love that's just begun
By the time this night is over
Two hearts are gonna fly to the Heavens above
And we'll get closer and closer and closer
By the time this night is overOver

Gonna wrap my lovin' arms around you
By the time this night is over
Heavens gonna smile, gonna smile on two lovers
By the time this night is over
By the time this night is over
Heaven let me go, Heaven let you go baby
By the time this night is over
