Alive (Electrodex Remix)

Natalie Bassingthwaighte

Alive, alive, alive, aliveNever thought the day would come when I'd see
My reflection smiling right back at me
It's been a while since I've been happy
Not sure, that I'm ready
I never planned on letting love in
Didn't wanna go back there againBut maybe I could (maybe I should)
Take a, take a chance on youTonight, I'm lost in the music and lights
I don't wanna let go but I might
If it's right
Tonight, tonight, tonight, tonight
Is this real? Cause this heart is just startin' to heal
And you're so close to makin' me feel (me feel)
Alive, alive, alive, aliveI didn't ever think that I'd be given
Everythin' that I was missing
It's like somebody out there's listening
Still not sure, that I'm readyBut maybe I could (maybe I should)
Take a, take a chance on youTonight, I'm lost in the music and lights
I don't wanna let go but I might
If it's right
Tonight, tonight, tonight, tonight
Is this real? Cause this heart is just startin' to heal
And you're so close to makin' me feel (me feel)
Alive, alive, alive, aliveYou're makin' me feel, alive, alive
Alive, alive, alive, aliveI don't know if it's love again
But I'm closer than I've ever been
You're makin' me wanna let you in (wanna let you in)
I can feel your energy
I can't explain the chemistry
All the signs are telling me
Take a chance on youTonight, I'm lost in the music and lights
I don't wanna let go but I might
If it's right
Tonight, tonight, tonight, tonight
Is this real? Cause this heart is just startin' to heal
And you're so close to makin' me feel (me feel)
Alive, alive, alive, aliveTonight, I'm lost in the music and lights
I don't wanna let go but I might
If it's right
Tonight, tonight, tonight, tonight

Is this real? Cause this heart is just startin' to heal
And you're so close to makin' me feel (me feel)
Alive, alive, alive, alive
