Beyond the Sea

Bobby Caldwell

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailingSomewhere beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms, I'd go sailingIt's far beyond the stars
It's near beyond the moon
I know beyond the doubt
My love will lead me there tooWe'll meet beyond the shore
We'll kiss just like before
Happy, we'll be, my love and me
And never again, I'll go sailingIt's far beyond the stars
It's near beyond the moon
I know, I know beyond the doubt
My love will lead me there tooWe'll meet, I know we'll meet beyond the shore
We'll kiss just like before
Happy, we'll be, my love and me
And never again, I'll go sailingNever again I'll go sailing
Yes, never again I'll go sailing
